www.linkedin.com/in/raecell-ann-galvez-03b435359

PROFESSIONAL SUMMARY

Computer Science graduate with experience in front-end web development and Shopify. Passionate about building responsive, user-friendly websites and creating clean, intuitive UI/UX experiences using JavaScript and modern web technologies.

Portfolio: <https://raecellann.netlify.app/>

EDUCATION

B.S Computer Science — College of Mary Immaculate, Bulacan

Graduated March 2026

WORK EXPERIENCE

Freelance

May 2026 - Present

Shopify Front-End Developer

- Customized Shopify themes using Liquid, HTML, CSS, and JavaScript while managing product listings, bundles, variants, and collections. Developed responsive storefront features, optimized product pages, images, and promotional banners, and improved website performance, SEO, and user experience.

8Con Academy

April 2025 - June 2025 (240 hrs)

Web Developer and Marketing Intern

Meycauayan, Province Of Bulacan, Philippines

- Developed web pages from design mockups using JavaScript, HTML, and CSS; designed UI for an enrollment system to improve usability; and created marketing assets while managing social media content.

THESIS PROJECT

Immaculearn – Collaborative Learning Web Application (React, Node.js, MySQL)

- Built a collaborative learning platform using React and TailwindCSS with responsive UI/UX, real-time communication, task management, and file-sharing features.
- Designed user-friendly interfaces to improve student and instructor workflow and engagement.

PROJECTS

Minicell

- Designed and developed the user interface for a clothing e-commerce website.

Communique

- Designed and developed the user interface for a thread-based social media application.
